

Dental Savings Program

In an effort to encourage good dental health and alleviate rising dental cost, we have developed a dental savings plan. It provides our non insured patients an affordable option to receiving quality dental care in our office.

Advantages to our "in-house" dental savings plan include:

No annual maximum

No deductables

No waiting periods- get started on the treatment you need quickly

No preauthorization is required

No missing tooth clause restrictions or exclusions

Cosmetic dentistry included

Program Details
